TRAJET 1

A smartphone mockup displaying a travel application interface. The screen shows a form for creating a journey. At the top, there's a status bar with signal, battery, and a speaker icon. Below it, a navigation bar contains a home icon, a menu icon, and the text 'LOGO'. The main title 'TRAJET' is centered. The form includes input fields for 'DE' (origin), 'A' (destination), 'DATE' (with a calendar icon), and 'HEURE' (time, with a dropdown arrow). Below these are three radio button options: 'DEPART' (selected), 'ARRIVEE', 'LE PLUS RAPIDE', 'LE MOINS DE CORRESPONDANCE', and 'LE MOINS DE MARCHE'. A large 'GO' button is at the bottom right.
